

**MiFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET** – Solely for the purposes of the manufacturers' product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, "**MiFID II**"); and (ii) all channels for distribution to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

**These Final Terms have been prepared for the purpose of Article 8(5) of Regulation (EU) 2017/1129 of the European Parliament and of the Council of June 14, 2017, as amended or superseded and must be read together with the Prospectus and its supplements, if any. Full information on the Issuer and the offer of the Notes is only available on the basis of the combination of these Final Terms and the Prospectus dated June 27, 2025, including any supplements thereto, if any (the "Prospectus"). The validity of the Prospectus will expire on June 27, 2026. These Final Terms and the Prospectus have been or will be published, as the case may be, on the website of the Issuer ([www.sparkasse-koelnbonn.de](http://www.sparkasse-koelnbonn.de)).**

**ECB Eligibility**

**Classical Global Note**

**Intended to be held in a manner which could allow ECB eligibility**

Yes. Note that if this item is applicable it simply means that the Classical Global Note is intended to be deposited directly with Clearstream Banking AG, Frankfurt which does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life. Such recognition will depend upon satisfaction of the Eurosystem eligibility criteria (ECB eligibility).
